

New Orleans Books Collection Project

As a chapter project, we are asking fellow Eagles to contribute books for the DC Chapter Book Drive to replenish books lost or damaged from Hurricane Katrina for the libraries of New Orleans. Donations of used or new books are appreciated.

A collection box will be available at the 2006 Dinner Dance, the May 20th chapter meeting and at the chapter picnic.

If you have not had the opportunity to do something for the survivors of Hurricane Katrina, here is your chance. Let's continue to keep all Americans reading!

Thank You!
